## Commander’s Corner

To all let’s continue to support all Legion, SAL and ALA projects. It is with great sadness my year is coming to a close. I have had so much fun this year. I don’t want it to come to an end. But on a good note I would like to thank everyone who donated to my project, as of this writing I believe we are well over \$ 26,000.00 thanks to all of your support. I need to especially thank My project Chairman Joe Weik for a job well done.

The meeting in La Plata went very well and there was ton of monies donated once again to various projects. Everyone has been very busy raising money and working hard on membership, a great job by everyone.

I think everyone has been doing a great job all year so far, keep up the good work. Keep in mind we still have T shirts for sale. Just because my year is coming to an end doesn’t mean we have to stop raising money. Even though my year is coming to an end I am hoping we can continue to donate to boys scout and continue to support them for campership

program, they deserve it.

We have decided to continue the Commander’s challenge this year and we will give plaques for the **Persian Gulf Wars** at convention. Tom Deal has stepped up and decided to be our chairman for this project. Thanks Tom.

Looking forward to seeing everyone at our Convention in Laurel. All meetings will be held at the Double Tree hotel all kids events will be held at Laurel Post # 60 as well as corn hole, horse shoes and of course Laps Of Love. Thanks to Laurel Post 60, it will be another great convention.

I end my year by thanking each and every person who helped along the way to make this a very memorable year for me.

Thank you and bless you all for a job well done.

## “JR’s Journey Just Got Better”

Exciting times are head again for Maryland! So you ask...what are you talking about Joe?

Well as I previously let you know, Maryland had a candidate for National Vice Commander for the East Region and that person was our own JR Hall from Glen Burnie Squadron 40. JR was the East’s Candidate for National Vice for the year 2019-2020.

JR always being a person to “Step Up To The Challenge”, has now answered the call for the high office of National Commander for a year to be determined. With that being the case, we are going to have to also “Step Up To The Challenge” in our fundraising.

As JR’s Campaign Chairman, I am personally asking you to rise to the occasion and help JR on his journey to becoming National Commander. Over the next few months you will be hearing more about our plans to raise the funds necessary for JR to travel around this great state of Maryland and then to travel around our Nation.

*(Continued on page 2)*

*(Continued from page 1)*

JR's Journey will be taking him around our Nation, so that they can get to know him as we do and to understand just how lucky we all will be to have JR as our National Commander.

Looking ahead, I can share that we are planning a cruise out of Baltimore on April 21, 2020. I am looking to have as many of you on this trip as we can. This will give us a week together to socialize, recharge our batteries and as important, raise funds for JR. In conjunction with the cruise, we will be holding a Cruise Raffle which will provide passage for two on the cruise with us. For more information on the cruise and the raffle, please email me at [joeglad123@aol.com](mailto:joeglad123@aol.com).

In addition to the cruise, we will be holding many other events over the next couple of years. These will include a Wagon of Cheer to be held this Fall, a gun raffle to be held next year and many other events. If your squadron or district would like to be a part of JR's Journey, please reach out to me or Tom Deal for ideas on how you can help. Tom can be reached at [tom.deal@verizon.net](mailto:tom.deal@verizon.net).

Jr wants to personally thank all of you that have stepped up to help his candidacy for National Vice Commander. While that path is no longer in play, all the funds raised for that office will now be used to reach the office of National Commander. Only through your help and support will Maryland be blessed with its 7<sup>th</sup> National Commander, Don "JR" Hall.

## Commander's Project

### Boy Scouts of America

Commander Dave Hullihen' Project this year is the Boy Scouts of America. His main goal is to provide the means for scouts throughout the 7 Districts in the Detachment of Maryland to be able to attend a camping event over the next year. First, I want to thank all the Squadrons and the American Legion Family for getting behind Dave's project and making it a success.

At our April DEC Meeting Dave presented Broad Creek with a check for \$10,000.00 towards upgrading their shooting range. We have also pledged to donate another \$10,000.00 to the SMD Youth Camp to help set up a shooting range there as well. On May 10<sup>th</sup> both Dave and I were able to attend the Capitol District "Round Table" and Educational Meeting in Davidsonville. We were able to make contacts and hope to have future "Camperships" in place for our upcoming Convention.

And Yes... we still have a few T-Shirts available (Sizes are limited) and any money raised will help us reach our goal of \$30,000.00. It's been a Great Year and I look forward to seeing everyone at our Convention in Laurel June 22<sup>nd</sup> to June 24<sup>th</sup>.

Joe Weik  
Project Chairman

## Trucking for Membership!

The ride is almost over, and it's been great journey. I enjoyed watching you work hard for the lead of this convoy to get your membership delivered; you we're determined to get 100% and meet each monthly goal. The roads been a long and lonely at times, but you guys did an outstanding job.

Congratulations to NES for being the first District to make 100% in membership, and all the other Districts over 90% and still driving hard to make 100%.

Outstanding job to all the squadrons who made 3 and 4 stars in membership.

I really appreciate all your hard work. Let's continue working hard on membership, I'm sure the next membership Chair would appreciate it because I did. Keep on trucking.

## Americanism Report

Hard to believe the year is ending. I hope that everyone has been busy replacing the worn, faded and torn flags in your area. Every flag that you replaced should have a flag replacement form filled out, make sure that you turn those in with your end of year reports. The top 2 squadrons will receive an award at

*(Continued on page 3)*

*(Continued from page 2)*

the convention in June. I would like to thank everyone for their work on keeping bright new red, white and blue in our towns. The selections for Boy's State will be taking place soon. I hope that each squadron was able to help make it possible for as many young men as possible to be able to have a chance to attend this event. The experience these young men get is life lasting. If you would like to help with Boy's State, please contact Dennis Renehan for more information. It seems that this year has been a bad year for disasters around the country. I hope that each squadron was able to contribute to the National Emergency Fund. By doing so you will be helping your fellow Legionaries in a time of need. The goal was to get a dollar from each member of the squadron. Remember it could be you one day that could use the help.

Yours in Service,  
Mark T. Fayer Sr.  
Americanism Chairman

### **Flag Replacement Program:**

As published on the website, The Detachment of Maryland will present awards to the top two Squadrons for their support of the Flag replacement program. Same rules apply as last year, make sure that the size of the replaced flag is indicated on the replacement form (3x5 flags will count as 5 points and smaller flags will count as 1 point). Flag replacement form can be downloaded at [mdsal.org/](http://mdsal.org/). Also, forms will be available at the next DEC Meeting.

It is very important to get out there and replace the torn/faded Flags

when possible as well as placing flags in your community where there is none but only with permission. This can be done through your Squadron or District as long as the funds permit. It will show our respect to our Country and mainly to our Veterans. If I can assist you in any way you can contact me at [saljerry@comcast.net](mailto:saljerry@comcast.net) or at 443-807-1131

### **Boys State**

It is just over a month that this year's 2018 Department of Maryland Boys State program will begin. The application cutoff date has passed and now is the time that donation should be sent in. That donation is \$350.00 per applicant. This will be "a week that shapes a lifetime". During Boys State the method used to form their City and State governments are those used in Maryland. In Boys State we have 100% voter turnout and zero unemployment. How many of you readers know what a municipal charter is and in what place in our government does this document occupy? The Boys State program starts on Sunday June 17th (that is correct it is Father's Day) at 12 PM with registration and ends with graduation ceremony on Saturday June 23<sup>rd</sup> starting at 9 AM. This will be held at McDaniel College in Westminster Maryland. If you need information concerning Boys State, please contact me.

### **National Emergency Fund:**

I would like to thank all those, squadrons and individuals, that have contributed to the N.E.F. this year. With all the disasters across the country it has been gratifying to see all of us come together to help our comrades. The work is still not done. There are still friends in need and all and any donations will be put to good use. We don't know what the future may hold, but Mother Nature can be fickle and cause all sorts of natural destruction. Keep those victims in your thoughts this coming year and continue to support the N.E.F.

## CHILDREN & YOUTH CORNER

As this year is rapidly coming to its conclusion, I want to take this time to thank everyone for a successful year. There were many Squadrons and volunteers that stepped up to make this year a success for all the Children and Youth programs we support. I especially want to thank the chairman that led the effort for the committee this year; Bob Keyes - Casey Cares, Eddie Souder - Special Olympics, JR Hall - Laps of Love, Tim Culp - Toys for Tots. Fantastic job gentleman, I very much appreciate your dedication and service to this organization. One last reminder, the Special Olympics Bowling Tournament Raffle (yellow tickets) are due back by the Convention, the drawing takes place at convention. Please help us help these deserving athletes! You can mail the ticket stubs and checks to me:

Bob Manzo  
3702 Double Rock Lane  
Parkville, MD 21234

Keep in mind the activities we support and mark them in your calendar so you will be prepared for the new year. Maryland Special Olympics Winter and Summer Games, Casey Cares, Children's Miracle Network and Child Welfare Foundation, this is where your support and additional volunteer are always needed. Continue to represent the SAL and encourage

other members of your Squadron to volunteer. We DO make a difference! See you in Laurel!

## Casey Cares Newsletter

As we are finishing up our 2017 – 2018 goals, the Casey Cares organization keeps on going. They send many thanks for all generous gifts we have donated to them this year. As always, they need our continued support. The donation the Sons of The American Legion has given them has made it possible for them to create wonderful activities and opportunities that their families can count on, Thank you to everyone for your support. You can visit the [caseycarefoundation.org](http://caseycarefoundation.org) to stay up to date on their upcoming events to see how our donations impacts their brave kids and families. Also, on their website are so many fundraiser ideas if you would like to look and do something different for 2018 – 2019. Please start planning for the next administrative year.

## DOUGLAS HENLEY MEMORIAL

### LAPS OF LOVE

Spring is here and with Summer on its way we all need to get ready for the Doug Henley Memorial Laps of Love.

As many seen last year one of the new ways of helping us raise money is by sponsoring the event even if you do not plan on walking at the event. For \$200.00 you can have your Squadron, Unit or Post name on

the back of the t-shirts that the participants get if the raise 75.00 by June 10th. If you are interested in becoming one of our sponsors, please make sure you send your check into us before the June 10th deadline.

Remember this helps children for three different programs. Casey Cares, Special Olympics of Maryland, and Child Welfare Foundation all receive part of the money raised in the one-day event. So why not sign up to walk? You can go around the field as many times as you would like, maybe just once, but either way the children will benefit. You can have a sheet sent to you by emailing [Dhall1967@verizon.net](mailto:Dhall1967@verizon.net) or signing up online at [www.sallapsoflove.com](http://www.sallapsoflove.com). If you want to make a team it is easy to do just follow simple instructions on the site.

We hope to see everyone at the convention and on the field helping us raise money for the children. For information contact me at [dhall1967@verizon.net](mailto:dhall1967@verizon.net)

## Legislative Alert!

The Legislative commission is very important part of The America Legion. The Legislative agenda was presented and the priorities are as follows:

**Support VA's suicide prevention efforts; Limit outsourcing, unify VA's programs; Fully fund a superior national defense as the global war on terror continues; Create lifetime electronic health record; Reclassify cannabis for medical research; Institute gender-specific health care for**

**women veterans; Support those who care for wounded veterans; Defend veterans education benefits; Repeal unfair offsets that penalize disabled veterans and widows; Provide mandatory end-of-service exams for reservists; Ensure those returning from active duty retain re-employment rights; Continue funding programs to end veterans homelessness; and Protecting the American Flag.** I am asking you to contact your senators and congressmen and pass on these priorities. I have more detail in a pamphlet and available on the National web site; <https://www.legion.org/legislative/>.

More information is available at: [www.congress.gov](http://www.congress.gov). The information is sometimes overwhelming however it is easily accessible and you can find any current legislation. Using the web site above you can look up your representatives and send them e-mails or call them. Schedule a meeting with them and sit down for a few minutes and ask questions about their support for our veterans.

<http://www.legion.org/legislative> scroll down to LEGISLATIVE ACTION CENTER and go to the Take Action page. I will still send out e-mails when I get them but most of the time we need to act fast and e-mails are not the way to do business.

Let's get our donations in, so we can do the work to help our Veterans!

If you are interested in donating to the CHVH, a "Wish List" is available on the website, [www.charhall.org](http://www.charhall.org). Monetary donations are always welcome. If you don't have a specific program or project in mind, donations can be made to the Veterans' Assistance Fund which assists residents as needs arise such as dental and optometry costs, Final Honors arrangements, and activities both inside and outside of the Home. Donations should be accompanied by a Donation Form which can be found at [www.charhall.org/donations.htm](http://www.charhall.org/donations.htm). Copies of the donation form will also be available at the meeting.

The Southern Maryland District continues to hold a bingo at the CHVH on the third Monday of each month. Two hundred dollars are given out to residents at each bingo. ## EMPLOYMENT AND EDUCATION COMMISSION

The Mission Statement of the Veterans Employment and Education Commission is: "To assist The American Legion in ensuring that America's Veterans have the opportunity to provide, with honor and dignity, the economic necessities of life for themselves and their families."

When you leave the military, the biggest question is "what's next?" It's a scary job market right now, but the skills that our veterans received in the military make them highly marketable.

The American Legion sponsors dozens of "Hiring Our Heroes" job fairs each year, and their employment experts also provide tips for writing resumes, networking and making a strong impression in the interview

process. Our commission is utilizing the National Vice Commanders, Detachment Adjutants and NECs to assist us in distributing the dates and locations of these hiring fairs down to the detachments, districts and squadrons.

This is where we need your help. When you receive an email announcing a job fair near you, please print out the flier and put it up in your post and in other places where our veterans will see it. Also, place it on your websites and Facebook pages as well as in your newsletters. You can also assist by going online and doing your own search for job fairs in your area.

Please help the VE&E Commission to ensure that no veteran is ever unemployed.

Larry "Bear" Weinzirl  
National VE&E Chairman

## Southern Pride

WOW, time flies when you're having fun... Hard to believe my year as Commander is almost over. It has truly been a privilege to serve as the SAL SMD Commander again and I want to thank all the "Blue Caps" for a job well done. You are the ones that made this a successful year.

As I write this we are currently in 2<sup>nd</sup> place at 98.59%. We are 61 members ahead of where we were this time last year... again Great Job! But the race is not yet over. We need 20 members to make 3-Star and 115 members to reach our goal. We currently have four 4-Star Squadrons and thirteen 3-Star Squadrons. By now everyone has received their Consolidated Report Form... please contact me or your assigned DEC Men if you have any questions or need help filling out the report. The CRF and your Squadron Certification Form must be completed and turned in by the close of business day on May 25<sup>th</sup> for you to be eligible for awards and be able to receive your 2018-2019 Membership Cards. I hope everyone has a great summer... please be safe in your travels and I look forward to working with you again next year.

I approach the end of serving our District as Commander and the support that you all have given me is well appreciated. Without you we would not be the District that we are, so I ask that the same support continues for our next commander.

## NEC Update!

I bring you greetings from our New National Commander Danny Smith from Nebraska. Commander Smith's theme this year is "**FOLLOWING THEIR FOOTSTEPS.... MAKING HISTORY**" and the membership theme is "**PIONEERING SPIRIT: COURAGE, FAITH, TEAMWORK, PERSEVERANCE**". Commander Smith is focus on all of the programs of The American Legion and focus on membership and how we can retain our membership and sign up new members.

Members of the Detachment traveled to Indy for the NEC on the weekend of May 5-6, 2018. While we were there our members sat in and participated during the various commission and committee meetings. A lot of good work was

done during these meetings. We also had two of our officers attend the NMI classes. National Vice Commander Ken Warner thank the Detachments that made and passed all goals set by National. With everyone's hard work the Eastern Region is doing great this year with more members turned in this year than last year. Now is the time to go and ask the members that have not renewed this year to renew. Sometimes all you have to do is ask and let them know what our Organization does for the Veterans and our Communities. This year at our June convention, National Vice Commander Ken Warner from PA will be our guest. Vice Commander Ken is no stranger to the Detachment of Maryland for he and his wife have been here many times. Also visiting us will be Greg "Doc" Gibbs from NY who is our Leading Candidate for National Commander of the Sons of The American Legion. Please take the time to visit with our guest and make them feel welcome. I would like to thank the members of the Detachment of Maryland for electing me as your National Executive Committeeman for the past 5 terms which adds up to 10 years. It has been a great pleasure representing you on the National level. I have been serving on the National Sub-Committee on Resolutions for the past 8 years. During that time a lot of good work has been done. Once again I thank you.
