Commander’s Corner

Guys, hope everyone has been doing well. I need to report that donations have been coming in for the Boys Scouts and I really appreciate that, please keep them coming. My chairman Joe Weik is doing a great job. Thanks Joe.

If you have any events that you want me or Joe to attend, please let us know and we will do our best to get there. Keep in mind we still have tee shirts for sale. My goal is to get as many scouts to be able to attend Broad Creek in the summer for a 2 week stay. What a great experience this would be for them. They say they can build character and become better leaders in life. Hence our logo helping scouts become leaders. At this point I am hoping to have at least 1 troop from each District to go there. We are basing this on each troop having from 10 to 15 scouts in each troop. We could send up to 105 kids to this camp. Let’s see what we can do, with a little hard work maybe even more.

We have decided to continue the Commander’s challenge this year we will give plaques for the **Persian Gulf Wars**. Tom Deal has stepped up and decided to be our chairman for this project. Thanks Tom.

My year is progressing very well thanks to all the help I have received. We are having our next DEC meeting at Post 77 in Easton Md. on November 18th at 12:00 pm. There are some of us that will be going there on Friday night, Freddie has said they will be doing something for us that night and then we can attend the meeting the next day, so try and be there on Friday if you can, there are plenty of Hotels around. I also need to remind everyone that we are collecting toys for the Toys for Tots Program on our meeting day.

Chairman Tim Culp will be there to collect all toys and monetary donations. We have inquired to see if a representative from the Marine Corp will be in attendance and as of this writing we have not received confirmation.

Also keep in mind for the Winter meeting in OC. There is a block of rooms, so just tell them you are with the Sons of The American Legion to get the rate, and don’t forget the Special Olympics, Polar Bear Plunge with the American Legion Family (details within this Pride article) at Sandy Point beach before going down. The American Legion Family will be plunging for the kids.

I want to also let everyone know the American Legion Family Christmas party will be held December 10th at Dewey Lowman Post 109 at 1610 Sulphur Spring Rd. Arbutus Md. 21227 Time is 4 pm to 7 pm please attend, the cost is only \$5.00 per person. Please see me for a flyer, fill out and cut off the bottom of the flyer and send to Department Sgt-At-Arms, Ron Holcombe. Let’s have some fun and enjoy the holidays together. Hope to see you all at our next meeting.

Thank you and bless you all for a job well done.

Commander's Project

Boy Scouts of America

Commander Dave Hullihen's Project this year is the Boy Scouts of America. His main goal is to provide the means for scouts throughout the 7 Districts in the Detachment of Maryland to be able to attend a camping event over the next year. We will be asking the local Scouting Leaders to contact our District Commanders and POC's to provide a list of possible scouts or troops that may not be able to attend otherwise. The six District POC's are Joe Weik – SMD, Leon Miller – SESD, Mark Fayer – NESD, Tim Culp – NCD; Drain Plummer - Baltimore, and Bill Hill – Mtn & WMD.

I am happy to report that we have received the back ordered T-Shirts and have some kid's sizes and Adult sizes Medium to 4XL. Shirts are only \$20.00. Please contact me if you would like to buy or help sell shirts. The SMD will be hosting their Annual Chuck Wagon Cook-Off Saturday October 21st at Post #7. The winner gets bragging rights for the year and the money raised will all go to Commander Dave's Project. If you have an event planned, please let us know and Dave or I will be happy to attend. I look forward to seeing you at our November DEC.

Trucking for Membership !

Breaker/Breaker Truckers

I would like to congratulate all the trucking companies who delivered 25% of their membership by October 12th, however we are still 159 members behind in last year's numbers at this time of the year. As a Detachment we're at 30.25% as of the October 13 membership report. Not bad but we can do better. Commanders, get on your CB Radio and call your distribution centers and let them know how important it is to get any 2017 and 2018 memberships in.

A big shout out goes NCD Trucking who is

running away with membership this year at 49.06% delivery of membership, they also have two squadrons 122 and 263 who already made four-star outstanding job truckers.

NCD Trucking needs to keep moving in the fast lane because NESD and Baltimore truckers are on your bumper and they're going to be passing you soon. SMD and SESD truckers are right behind them and the other trucking companies need to get out of the granny lane and put the hammer down, get a hold of your distribution centers and get those memberships in.

Remember we need have 35% of are membership in by November 15th.

Americanism Report

Here we go starting off another year and we are very happy that our Commanders Project this year is one from the Americanism committee. Flag Replacement Program:

As published on the website, The Detachment of Maryland will present awards to the top two Squadrons for their support of the Flag replacement program. Same rules apply as last year, make sure that the size of the replaced flag is indicated on the replacement form (3x5 flags will count as 5 points and smaller flags will count as 1 point). Flag replacement form can be downloaded at mdsal.org/. Also, forms will be available at the next DEC Meeting November 18th, 2017 @ Post 77.

It is very important to get out there and replace the torn/faded Flags when possible as well as placing flags in your community where there is none but only with permission. This can be done through your Squadron or District as long as the funds permit. It will show our respect to our Country and mainly to our Veterans.

If I can assist you in any way you can contact me at saljerry@comcast.net or at 443-807-1131

Boys State

The American Legion Boys State program began in 1935. It was the idea of two Illinois Legionnaires, Hayes Kennedy and Harold Card. The first Boys State was held at the Illinois State fairgrounds in Springfield.

It is a program in which students become part of the operation of the local, county and state government. The participants learn the rights, responsibilities and privileges of citizens.

Squadrons should start holding fund raisers now to help offset the cost to the post instead of waiting till March or April. Also you can use funding from businesses in your communities to also help offset the cost. The cost is still \$300.00 per boy.

Ask your Post Commander if they have appointed a Boys State Chairperson. Remember that all male students will have completed the eleventh grade and will be in the twelfth grade when school starts in the following August.

If you have any questions about Boys State, you can call, email, or text me.

CHILDREN & YOUTH CORNER

Gentleman, summer has given way to fall and that means Thanksgiving and Christmas will be here before you know it. Do you want to help make a child's Christmas morning special? You can help by bringing in a new, unwrapped toy for Toys for Tots to our next Detachment meeting on November 18th, encourage your fellow Post members to donate a toy for you to bring also. This will help a child to have a gift to open on Christmas Day. My home Post and Squadron does an Annual Christmas Basket Outreach with our local schools to help needy families have a good holiday meal. It is easy and makes you feel good knowing you are helping a family to enjoy a holiday event many of us may take for granted.

JR's Journey for National Vice Commander

Comrades,

We are once again blessed to have one of our own running for a National Office. If all goes according to plan, our very own Don "JR" Hall will be elected National Vice Commander for the East Region at the National Convention in Indianapolis in August 2019.

JR is extremely excited about this opportunity, and looks to fill the shoes and probably split the seams of the other National Leaders from Maryland that have gone on before him, but doing it the way that only JR could do it. To accomplish all that JR wants to do, he is going to need the help of all of us here in Maryland. JR is looking forward to traveling around Maryland and the East Region to share his vision and to get the opportunity to get to know each one of you better.

To accomplish this task, we are going to need to raise the funds necessary to help make not only his campaign for National Vice, but his year in office a success. So, you ask, how can I help? Well the answer to that question is simple, but requires some work and dedication. During this next year and a half, there will be a number of fundraisers to help raise the necessary funds that your squadron and district could help with. Or, your squadron could have its own fundraiser for JR or simply donate to his campaign.

This December will be the start of another fundraiser held by the campaign. We are currently selling a 30 Lottery Calendar for \$10.00 to kick off on December 1st. These tickets will have a daily payout of at least \$50.00 and ranging to \$250.00 on Christmas Day if your number hits straight on the MD daily evening pic 3 drawing. We need your help by selling these tickets to your friends and family or by having your squadron purchase several of these tickets.

As the Campaign Chairman for JR, I have set a goal of \$10,000.00 to be reached by June of 2019. This will allow JR to travel the East and around Maryland and to help with other costs during his year as National Vice Commander. As a Past National Vice Commander and Past National Commander, I know what it takes to do the job correctly. I also know that the members here in Maryland have always supported their own and it's time once again to support another one of our great leaders on his rise to the top. It's time to support JR Hall for National Vice Commander.

Please show me and more importantly, show JR that you are behind his journey. If you can help, please contact me. The Campaign Team will be more than willing to travel to your Post to discuss how you can help or to attend a fundraiser that you will have to support JR. I look forward to hearing from you and thank you in advance for your support.

Sons of The American Legion

Message Points & Operational Procedures

- The Sons of The American Legion was established as a non-political, non-sectarian civilian organization at the 14th National Convention of The American Legion in Portland, Oregon, September 12-15, 1932.
- The Sons of The American Legion is a **Program** of The American Legion with over 6,100 Sons of The American Legion Squadrons located throughout the United States, France, and the Philippines with a total membership of nearly 370,000 members.
- The major goals of the Sons of The American Legion is support to our nation's veterans and their families as well as support to The American Legion and the programs represented by the Four Pillars of which The American Legion was founded.
- The Sons of The American Legion annually contributes over 1.6 million dollars in cash and goods to our nation's veterans in VA Homes and Medical Facilities and over 450,000 volunteer hours.
- The Sons of The American Legion **Program** has proven to be a key component to the Legion Family in support of The American Legion programs and all veterans.
- As a **Program** of The American Legion, the Sons of The American Legion is accountable to the sponsoring body of The American Legion that empowered the Sons of The American Legion program to operate at that level. (i.e. Squadron to Post, District to AL District, Detachment to Department, & National to AL National)
- The American Legion as a non-profit organization must follow the guidelines set forth by the Internal Revenue Service governing non-profit organizations which include every post filing a 990-series tax form on an annual basis which must include **all** of the financial activity sponsored by a post including that of any programs the post sponsors. This by default includes all financial activity of the Sons of The American Legion squadron or any program that post sponsors with the understanding that all financial accounts opened within the structure of the post can only exist utilizing the post FEIN number which therefore makes the post accountable.
- Failure to follow the IRS guidelines could result in substantial fines and penalties including the forfeiture of the post's non-profit status which would inevitably cause the post to close.
- Recommendations for a squadron to be proactive and establish a strong working relationship with their sponsoring post understanding the ultimate goal is all our support for our veterans and our communities:
 - Understanding that one of the first actions of a newly elected Post Commander is to appoint a Squadron Chairman from the post to oversee the Squadron activities, reach out to that Chairman and establish a cohesive working relationship from the start.
 - Establish a Constitution and By-Laws if one doesn't exist.
 - Elect a slate of officers and have Chairman/Post ratify at beginning of each administrative year.
 - Present Financial Budget to post to approve at the beginning of each administrative year. Understanding that any non-budgeted items will need your Chairman's approval before disbursement.
 - Maintain minutes of monthly meetings which should include squadron financial statement.
 - Give copy of said meeting minutes to post commander and/or adjutant monthly.
 - Make sure any financial accounts opened utilize the post FEIN number.
 - Understanding that squadron account can only exist utilizing the post FEIN number, the Post Treasurer or Finance Officer must be one of the signatories on the account.

By working together in harmony and following some simple guidelines will result in our continued success.

Why Not Start Now?

You don't have to wait til the first of the year or til you can register on the website, why not print out a flyer and hang it up at your post now? Maybe you can start talking to your Squadron, Post and Unit about being a sponsor for this great event each year. Sponsoring the event and getting your name on the shirt is a great way of letting everyone know that your supporting the Children and Youth Programs of The American Legion.

This year's event will be much like last years, it will take place on Saturday of convention weekend for the Sons. We will be again trying to have athletes from Special Olympics there along with families from Casey Cares. It is always great when you see individuals and families that benefit from the work we all do. Not all programs have that kind of accessibility, this gives everyone a chance to feel great about the work we do to help others.

Think of holding a raffle to be a sponsor, think of having one or two of members participate, or think of building a team from your post to help us raise money for the children and youth programs. If you have any question, need a flyer or sponsor sheet just email dhall1967@verizon.net and we will help any way we can.

Toys For Tots

As you all know, the Sons of The American legion has actively supported the Toys for Tots organization for many years. This organizations mission "is to collect and distribute new toys as Christmas gifts to children in need in our community. For more than six decades, the U.S. Marine Corps has distributed over 452 million

toys to more than 209 million children." They rely heavily on the generosity and support of individuals and organizations.

I would like to see the SAL be an even stronger part of the Toys for Tots success. Therefore, I challenge each and every squadron to the following:

Collect either 100 new and unwrapped toys OR donate \$100 towards the Toys for Tots organization. If all of the 110 squadrons meet that challenge we could potentially collect 11,000 toys or \$11,000.

You can turn in monetary donations at any District or DEC meeting. To help streamline the toy collection process I ask that each squadron arrange a pick up or drop off on their own and turn in their final collection count to myself or their District Representative, who can turn the count into me at a DEC meeting. You can find local pick-up / drop off locations on the Toys For Tots website (www.toysfortots.org).

I hope that everyone keeps Toys for Tots in mind ALL year long and not just at Christmas time. Once this year's collections have been turned in you can start collecting for the following year.

Legislative Alert!

I want to start out by saying thank you for everyone who contacted your Senators and Congressmen about The American Legion 100th Anniversary Commemorative Coin Act of 2017. It has passed the Senate and House and the President signed it. The American Legion National Commander Denise Rohan commented; "There are those who question why The American Legion put so much energy and focus into passing a centennial coin bill. The answer was rather simple and veteran-centric: The funds generated from the coin will directly help our nation's heroes and their families. Without Legion family members getting active, calling their members of Congress – and sometimes it was more than just once – this would have never happened." This shows we can help when we get involved, again thank you all.

The Washington Conference will be February 25-28, 2018. The wreath laying tours will be on Sunday February 25. National Commander Danny Smith will lay a wreath at the tomb of The Unknown Soldier at Arlington National Cemetery at 9:15 am. He will also be accompanied by members of the Sons and Legion family members to lay wreaths at both the Korean War Veterans Memorial and the World War II Memorial. Members of The American Legion, American

Legion Auxiliary, Sons of The American Legion, friends and families will attend and show respect for the sacrifices made by our Nation's military in the defense of liberty and freedom. We have added a second bus for the tours this year due to the increasing numbers of Legion Family Members attending. If you would like to attend let me know.

The web site for all to take a look at: www.congress.gov. The information is sometimes overwhelming however it is easily accessible and you can find any current legislation. I will still send out e-mails when I get them. Everyone needs to contact their representatives and express the need to keep taking care of our veterans. Let them know we are supporting the military and our veterans. Using the web site above you can look up your representatives and send them e-mails or call them. Schedule a meeting with them and sit down for a few minutes and ask questions about their support for our veterans.

Homeland Security

Hello Comrades,

Let us take a moment and reflect on some words that all of us are familiar with from our Preamble :

"Proud possessors of a priceless heritage, we male descendants of veterans of the Great Wars, associate ourselves together as "Sons of the American Legion: for the following purposes-

To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a true spirit of Americanism. To inculcate a sense of individual obligation to the community, state and nation. "

As everyone knows there has been much happening since the last newsletter with the turmoil not only here in the USA but also around the world. It is up to each one of us to take a moment and set aside our own personal thoughts and emotions about things and be unified as one for the common good. Our Homeland Security. The safety and protection of our country is and should always be foremost in our hearts and minds. It is healthy to have debates and exhibit our first right amendment to freedom of speech but remember this still does not give us the right to cause civil strife and unrest.

I, like many others, swore a military oath to

(Continued on page 3)

(Continued from page 4)

uphold and defend the constitution from all enemies, foreign and domestic when entering the military service. Our own Preamble even takes part of that oath. The Constitution and its amendments are the law of the land and is a guiding doctrine to our homeland security. We may not always agree with things but we do need to go by the law of the land. If we don't go by the law then all we have is chaos and I am sure that is the last things any of us wish to have happen.

In closing I would like to quote a great American these words 154 yrs ago that was profound back then and even more profound now " That this nation, under God shall have a new birth of freedom- and that the government of the people, by the people, and for the people shall not perish from the earth"- (Abraham Lincoln)

EMPLOYMENT AND EDUCATION COMMISSION "Remember"

"How your Squadron help?" By assigning members of your Squadron to your own VE&E Commission/Committee to assist us in getting this info out to your local Veterans that can benefit from it.

"Where to find this information and how we can get it out to the Veterans?" By going online and finding local job fairs and benefits available in your state. Then by taking this info, as well as info received from National or Detachment, and placing it on your Squadron/Post websites and Facebook pages as well as in your newsletters. Also by printing it out and posting it on your Post's bulletin board and in other locations around your community where local Veterans will see it. You can also request that your Post e-mail this info out to their members. Be creative with your distribution.

When you leave the military, the biggest question is **"What's next?"** Your Squadron can help with the answer to this question by providing this information to our Veterans. Please assist us in making this new Sons of The American Legion Commission a successful one nationwide while assisting the "Heroes" who have kept America and everyone in it free and safe.

Greetings from the Great Southern Maryland District,

We have had a very busy 3 month... to date I've had the opportunity to visit with 14 Squadrons and attend various functions throughout the District. I want to Thank Beltway Squadron and Post #172 for hosting our first SMD meeting on October 8th. We had a good turn-out. The "Blue Books" were delivered to all the DEC Men and should have been passed out to the squadrons by now.

We are doing well with Membership, but can do better. So far, we are 32 members ahead of where we were this time last year and are currently in 4th Place at 30.08%. Our November 15th goal is 35% so please keep working Membership. Also, please don't forget to send in any 2017 memberships that you may have. We are in danger of breaking the streak of +30 years of "ALL Time High's". We still have 9 Squadrons with "Goose Eggs". Please reach out to those Squadrons and see if we can't eliminate them by our November DEC Meeting.

My Commander's Challenge is back... The Squadron with the largest Membership increase from Friday 8/25 to Friday 12/1 will get a free ticket to our Annual SMD Drawdown. But wait... there's more. The Squadron with the largest % increase also wins a free Ticket as well. That's two ways to

win and gets you a dinner for 2 and a chance for your squadron to win up to a \$1000.00.

Speaking about the Draw Down... It will be held on December 2nd at Clinton Post 259 from 5pm to 10pm. There are only a few tickets left so please contact Gary Castleman or myself for tickets. Tickets are \$35.00 each.

Our next SAL SMD meeting is scheduled for December 3rd at Damascus Post #171 starting at 1pm. All "Blue Caps", Post Commanders, and Advisors are encouraged to attend. Our District can only become better if we get new people and ideas. Please remember our Veterans on November 11th and have a Safe and Enjoyable Holiday Season.

Joe Weik

Northern Central News

Greetings from the Northern Central District!

Membership renewals are coming in at a good pace with the NCD in first place at 49.06%, at the time of this writing. My commanders project, Boy Scouts of America, is under way; please remember to support this vital project. Your donations will go a long way to helping scouts who may not otherwise get to go to camp have a fun experience. If you are planning any fund raisers let me know so I can attend to support your activity.

Our trip to support the Annual Perry Point Carnival will be on October 28th. Chairman Jim Sullivan is organizing our districts' effort and I am sure he can use more help and donations to bring off yet another successful event, helping our veterans.

Toys for Tots collection will be coming up at the November DEC, please remember to support this worthwhile program. You can help brighten a child's Christmas morning with your thoughtful donation of a new unwrapped gift. Also, reach out to your local food banks and schools to see what you can do to help a needy family have a great holiday.

The district meeting dates for the coming

year are:

Sunday Oct 29, 2017 at Essex #148 at 1:00 p.m.

Saturday, December 2, 2017 at Aberdeen #128 at 12:00 p.m.

Sunday February 11, 2018 at Dundalk #38 at 1:00 p.m.

Sunday April 22, 2018 at Harford # 39 at 1:00 p.m.

I hope to see more attendance at the District meetings this year, as we are only successful if we all participate and work together. I also would like to see more participation at the DEC meetings. These meetings are important to our organization and a lot of good information is disseminated at the DEC meetings. For example, the January meetings are held in Ocean City and there is a fantastic training session held on Saturday morning at the Grand Hotel followed by a Draw Down to support the Special Olympics of Maryland. I will have Drawdown tickets available if interested.

Finally, DEC Representatives assigned to each of the Squadron's and they will be visiting your meetings. If you do not see them please notify me and I will get all the info to you. I am planning on visiting the Squadron's also. If you need my assistance at any time please call me at 410-952-6471.

Baltimore News

Greetings,

We've been doing well here in the Baltimore District. Membership is going quite well, 3rd place in the Detachment and steady improving. Definitely working on getting 2017 paid up before the December 31st deadline.

In September, I held my first meeting as district commander, a nice turnout. Special thanks go to Detachment Commander David Hullihen, Detachment 1st Vice Commander Jim Alexander and Detachment 2nd Vice Commander Bob Manzo for attending and keeping us informed on what's happening within the Detachment.

As far as membership, we exceeded the 10 percent goal with a 21.35 percent. I know we still have a long way to go, but we're off to a good start. Big thanks to my D. E. C. men and 1st Vice Commander. I have also laid out my agenda for how I would like to raise money for the district and my commander's

project, The Baltimore Station. One of the things I mentioned was having a Steak Dinner night, Seafood Dinner night as well as having District Masquerade Ball. Also I plan on having a draw down. Any advice or ideas anybody have would be greatly appreciated. Speaking of The Baltimore Station, on September 16th, a barbecue was held at Brooklyn-Curtis Bay Post 187 for the residents of the station. A chance for them to get out and have fun, which they did as well as the members of the post, squadron and unit. Also, Squadron 187 had a GoFundMe page where they raised over \$2100 for purchase a commercial washer and as well as bed sheets, toiletries and other items.

I also plan on having a Thanksgiving Dinner for them in November. Also during this time I would also like to do a clothing drive, if possible. Right now, the residents need coats and jackets, all sizes. If anyone would like to help with this, please let me know. If anyone would like to learn more about The Baltimore Station, please go to: www.baltimorestation.org, or call 410-752-4454. They can always use volunteers and donations. Whatever you can do is greatly appreciated. I am honored to be a part of an organization that does all they can to help our veterans. That's why my motto is "Helping Veterans To A Brighter Future." For God and Country and Serving Our Veterans,

Nathaniel "Nate" Russell

NEC Update!

I bring you greetings from our New National Commander Danny Smith from Nebraska. Commander Smith's theme this year is

"FOLLOWING THEIR FOOTSTEPS.....MAKING HISTORY" and the membership theme is

"PIONEERING SPIRIT: COURAGE, FAITH, TEAMWORK, PERSEVERANCE".

Commander Smith is focused on all of the programs of The American Legion and focus on membership and how we can retain our membership and sign up new members. This is also the year of change at the National level with the retirement of John Kerestan, and new Liaison Mr. Paul Brown and a new National Adjutant Anthony Wright from PA. With these changes came a new format on how the Fall NEC meetings were held. While at the fall NEC our members sat in and participated in the meetings that were held. A lot of good work was done in the two day's where we were in Indy. Congratulations go out to our newest graduate of the Detachment Commanders class our Commander Dave Hullihen.

Eastern Region welcomes Ken Warner from PA as our National Vice Commander. He is very proud to be our Vice Commander and is looking forward to a great year. Vice Commander Ken talks membership and thanks all the Detachments that have made goal. We are at 28.060% and second in the East and 20th in the Nation and overall the Nation is at 20.154%. We need to keep this momentum going, now is not the time to slow down. Our retention rates are low and we need to figure out how to get these members back. One way is to ask them and explain to them the importance of their membership and what we do as a Veterans organization, VA&R, Americanism and Children and Youth programs we donate to and support by volunteering. Sometimes you just have to ask.
